ASKLEPIEION

(ə-'sklē-pē-on)

Asklepieion is a word derived from the name of Aesculapius, the Greek god of medicine and healing. Aesculapius was honored and worshipped throughout the Greek world by persons seeking the healing powers of the physician. Temples were erected in honor Aesculapius near healing springs or high mountains. Those who worshipped him were known as Aesculapae. Therefore, the temples in his honor were known as Aesculapions (Asklepieions). In the ancient city of Memphis, on the Nile River, there was a temple where people went for worship and for care. In our own city of Memphis, on the Mississippi River, people come to our Asklepieion for healing and care.

Everyone who was anyone was on hand for the formal dedication of the new Rock-climbing wall.

This added feature to the already well equipped Recreation Center was well received by thrill-seeking students, faculty and staff.

STUDENT LIFE

Good Times Unfold!

Each term the Office of Student Life administers student activities which provide an opportunity for students to escape the ongoing stresses of their educational experience. These special events are planned, promoted, and carried out with the assistance of the student Entertainment Committee and members of the SGAEC. Some of the more successful events this past year were the ever so popular "5:00 Friday" social gatherings, the "Coffee Break" held during the lunch hour, and the second annual "Student Appreciation Day" which consisted of a huge "Party in the Pit", otherwise known as the amphitheater.

Students enjoy getting the secrets of the Redbirds success from Rocky the Redbird (top left). Nothing can bring a smile to a students face like the free munchies served up at one of the infamous 5:00 Friday social gatherings (top right). The Office of Student Life, bringing friends together (above). Enjoying the time together at yet another "Coffee Break" (bottom left).

5:00 FRIDAYS!

Unfolding inhibitions

Smiles were something very special that seemed to unfold quite often this past year, especially around the 5:00 hour. Every year the Office of Student Life spends countless hours, with the help of the student Entertainment Committee and the SGAEC preparing an ongoing series of social mixers that have come to be known as "5:00 Friday". This past year we went to several places around town such as the Rum Boogey, BB King's, and the Memphis Pizza Cafe. Literally hundreds of students turned out for these events. As depicted in these photographs, there is no doubt that this series of social mixers is very successful and serves a useful purpose.

Students converged on several popular Memphis nightspots like Beale Steet and Overton Square. It was nothing short of a virtual takeover when the students went to the Memphis Pizza Cafe.

There was not any doubt, after the first successful 5:00 Friday event, that many more would follow.

STUDENT APPRECIATION DAY

Party Unfolds in the Pit

The second annual Student Appreciation Day was a tremendous success. The "Party in the Pit" attracted over 600 students. UT students took over the amphitheater for an afternoon of food, fun, and games. Many great door prizes were donated by various sponsors. The Memphis Redbirds, 98 MFS Radio, and many other organizations were on hand to help make this party worthy of the UT Memphis student. This memorable event was organized by the Office of Student Life, the SGAEC, and the student Entertainment Committee.

The fun and games, like the football toss, were a huge hit with special prizes to the winners (top right). Many students chose to be spectators and simply enjoyed the free food and giveaways while watching others indulge in the more physical aspects of the event (middle left & right). Yes, Elvis is still alive and well at UT Memphis, and of course he would be serving the juicy hamburgers.

Overview of the Party in the Pit as it unfolds (top). Students enjoying the food, party balloon hats, and souvenirs (middle left). The bungee run was the center of attraction as student test their strength (middle right). Ice cream on a hot day, who could ask for anything better (bottom left).

Hundreds of students along with faculty and staff members came through the south lounge of the Student Alumni Center for a taste of some deliciously flavored international coffee. The Office of Student Life, members of the Entertainment Committee, and the SGAEC served up coffee that originated from continents around the world. Flags from around the world were flying high as this was turned into an event with international flavor. The musical entertainment provided by Brian Green, a College of Medicine student, was in very good taste. Of equal taste, was the coffee, tea and cookies that were provided free of charge to the students. The "Coffee Break" with its' strong support from the student body is fast becoming a UT Memphis tradition.

Student interaction was prevalent and discussions become intense after multiple cups of Java (top left & right). Students find the time to relax with their and socialize with their classmates (bottom left & right).

Rich Flavor Unfolds in the Student Alumni Center

Getting the full flavor of the coffee is all in the way you stir it up (top). Smile for the camera, if you can stop gritting your teeth long enough (middle left). Wow! This is pretty good stuff. Don't you think (middle right)? Hey! Don't take all the Swiss-mocha flavoring! Should I use one cream or two (bottom)?

Terror Unfolds

The University Health Services Office was giving their annual free flu vaccinations, and the Office of Student Life turned it into a big party. With the support of the SGAEC and the Entertainment Committee, treats were provided for the brave at heart. Thousands of students, faculty, and staff showed up for a free flu shot and some free treats at the "Boo! Flu" event.

Students line-up to sign their death warrant, just kidding (top left). Office of Student Life provides the goodies to ease the pain (middle). Fred Gattas does his best to make it painless (bottom left). Say Ahhh, no wait that's another procedure (bottom right).

Redbirds NIGHT

A Night of Food, Fun & Baseball Unfolds

Students enjoy the pregame festivities (top left). Roopa Andhare, SGA President, had the honor of throwing out the first pitch (top right). What would a Redbirds party be without the antics of "Rocky" the Redbird? (bottom left). "Did you see that catch?" UET Memphis students had some of the best seats in the house thanks to the Office of Student Life and the SGA (bottom right).

Campus RECREATION

The Office of Campus Recreation is a focal point for recreational opportunities at UT Memphis. Physical activity plays a vital role in the development and maintenance of a "healthy, well-adjusted" individual. The programs offered by Campus Rec are a means to educate, provide opportunities for competition and social and personal interaction between students, provide assessment and guidance in the area of fitness, and to provide student leadership opportunities.

Each of the programs offered by the Office of Campus Recreation; Intramural Sports, Outdoor Adventures, Fitness & Wellness, and Instructional, provide valuable opportunities for growth and great times as illustrated in these photographs

OUTDOOR ADVENTURES

The Wonders of Nature Unfold...

The Outdoor Adventures Program provides opportunities for personal challenge and discovery. Our goal is to bring enjoyable and worthwhile experiences by introducing students to the many areas in Tennessee and nearby regions that offer outdoor recreation opportunities. Participants are instructed on a variety of skills such as camping, canoeing, reading a trail map, trip planning, and wilderness cooking. These skills can then be transferred to our personal lives giving us the ability to take charge of our own circumstances, overcome fears, and become active in group decision making.

The Outdoor Adventures Program presented UT Memphis students an opportunity to experience the wonders of nature. As depicted on this page, students had some great times together while overcoming many obstacles in the wild.

The Imhotep Society

In 1980 the Imhotep Society became an officially recognized organization on campus, for the purpose of honoring students, faculty, staff, and alumni who have significantly contributed to student life and student process at UT Memphis. It was recognized that many student leaders, in performing their functions and assignments, may have sacrificed high academic accomplishments and thus did not receive recognition through those organizations which traditionally honor students for high academic achievement. While the principle objective of the Imhotep Society is to reward and recognize student leadership and service on campus, a secondary goal is to inspire students to continue leadership and service roles as alumni of the University.

UT STUDENTS WIN SCHOLARSHIPS

UT College of Dentistry students John McLemore and James Pledger won scholarships from the Thomas Hinman Dental Society. The awards were presented at the 88th annual Thomas Hinman Dental Meeting in Atlanta on March 25, 2000. McLemore and Pledger were selected by the Deans of the dental school to receive the scholarships, which are based on academic performance and need. The Thomas P. Hinman Dental Society has promoted continuing education in the dental profession since its founding in 1912. This year, the Society provided scholarships to students at 32 colleges and universities in Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee, Virginia, and West Virginia.

PSI OMEGA FRATERNITY

Founded in 1892, the Psi Omega Fraternity aims to provide dental students with a means for relaxation from studying without interfering with students' academic standing. It is believed that such a balance between education and recreation results in a more well-rounded student.

XI PSI PHI FRATERNITY

Xi Psi Phi Fraternity is a fellowship of those having chosen the career of dentistry. Its purpose is to provide a more substantial foundation upon which to build a professional life. It honors the principles of knowledge, morality, and fellowship.

L to R: Jay Davis, treasurer; Fauzia Khan, vice president; Mark Horne, social chair; Bob Lewis, social chair; Denny Lim, president; Angela Cameron, secretary; Jay Owings, pledgemaster; Michael Brooks, rush chair.

American Student Dental Association

Jason Kaplan, ASDA
President

The American Student Dental Association serves as the governing body for the College of Dentistry. The executive council consists of elected representatives from each class, dental fraternity presidents, class presidents, and selected chairs. In addition, four officers are elected by the entire student body. This council meets weekly to discuss issues relating to the administration, faculty, and student life.

Executive Council, Back Row L to R: Leslie Dillard, Ben Stroud, Trey Carico, C. Chad Johnson, Shawn Lehman-Grimes, Kristi Gipe. OVERVIEW - The Student National Dental Association (SNDA) was incorporated in 1972, over 50 years after its parent group, the National Dental Association. It was created to encourage minority dental students in the pursuit of a dental career. The SNDA addresses the needs and concerns of minority dental students. The organization serves as a support group for minority students and works to provide a national communications network among students as a means of improving the health-employment distribution among minority and ethnic groups. SNDA works closely with the NDA and strives to educate and involve members in the social, moral, and ethical obligations of the dental profession. The University of Tennessee actively pursues the organization's goals, is heavily involved in the profession, and is involved in the recruitment of minority students. Social activities for members and service to the school and dental community are among the many areas addressed by the local SNDA chapter.

COMMUNITY INVOLVEMENT - The members of the SNDA hope to provide not only a support network for our members, but for our campus and community as well. In this effort, the SNDA strives to act as a vehicle to educate and involve members in the social, moral and ethical obligations of the dental profession. In order to achieve this goal our members have committed themselves to performing at least one public service activity per month.

The Joint Biomedical Engineering (BME) Program between the University of Tennessee Health Science Center and the University of Memphis allows students to obtain M.S. and Ph.D. degrees and concentrate in one of four different tracks: biomechanics, cell and tissue engineering, electro physiology, and medical imaging.

Biomedical Engineering

"Biomedical Engineering is a discipline that advances knowledge in engineering, biology and medicine, and improves human health through cross-disciplinary activities that integrate the engineering sciences with the biomedical sciences and clinical practice."

Biomedical Engineering Society (BMES)

"Biomedical engineers may be called upon to design instruments and devices, to bring together knowledge from many sources to develop new procedures, or to carry out research to acquire knowledge needed to solve new problems."

Institute of Electronic and Electrical/Engineering in Medicine and Biology Society (IEEE/EMBS)

"Student Societies function to bring together students and professionals who have educational, research, or practical experience in biomedical engineering or in an allied scientific field. Individuals can develop leadership abilities and professional qualities among the student members as well as providing an environment for social interaction and exchange of ideas between all levels of undergraduates, graduates, faculty, and other professionals."

Student Activities

BME students are learning effective communication through a team building activity hosted by Mr. Oehmen from FedEx.

Did you know [...]

"BME students swept all five awards at the 1999 2nd Tennessee Biomedical Engineering conference hosted by Vanderbilt in Nashville, Tennessee."

"In 2000, BME students placed in 6 out of the 10 awards at the 3rd Tennessee BME Conference in Knoxville."

HONOR MEDICAL SOCIETY

Beta Chapter

THE UNIVERSITY OF TENNESSEE

Alpha Omega Alpha is the only national honor society in the world. Its reason for being can be expressed in a phrase: to recognize and perpetuate excellence in the medical profession. As stated in the society's constitution. "Alpha Omega Alpha is organized for educational purposes exclusively and not for profit, and its aims shall be the promotion of scholarship and research in medical schools, the encouragement of a high standard of character and conduct among medical students and graduates, and the recognition of high attainment in medical science, practice, and related fields." ΑΩΑ elects outstanding medical students, graduates, alumni, faculty, and honorary members to its ranks. The society's key is designed after the Manubrium Sterni. The letters ΑΩΑ, engraved on the key, represent not only the name of the honor society, but the essential words in its motto:

Αξιπς ὠφελεῖν τοὺς ὑλγούοντας

"To be worthy to serve the suffering"

Far better is it to dare mighty things,
to win glorious triumphs, even though checkered
by failure, than to rank with those poor souls who neither
enjoy much nor suffer much, because they live in the gray
twilight that knows not victory nor defeat.

Medical Student Executive Council

MSEC 1999-2000

Emily Graham
MSEC President

Noel Henley
MSEC Vice President

The Medical Student Executive Council is the governing council of the student body of the University of Tennessee College of Medicine, representing the students both to the faculty and the administration of the university and to the Memphis community. The Council serves to represent all students in the College of Medicine and addresses issues affecting students' overall learning experience. MSEC is comprised of elected members from all four classes as well as of student representatives from organizations recognized by the College of Medicine. In addition, the MSEC annually elects a student to serve on each of the college administrative committees and on the admissions committee.

Located on the campus of the University, the Alpha Beta chapter of Phi Chi is the largest chapter of the largest medical fraternity in the country. The goal of Phi Chi is to offer all medical students an opportunity to join an organization that will help them make the best of their medical school years. Each person who joins does so for their own reasons, and not all who join live in the house. However, every member has access to all the facilities Phi Chi has to offer. Members have been living at the house, New Baldaur, since 1970. Phi Chi continues to provide a strong history of service, tradition, and brotherhood.

Phi Chi Officers 1999-2000

Jason Pooler – President
Alok Kumar – Vice President
Anietie Okon – Secretary
Anthony Ramirez – Treasurer
Devonne Mullis – Rush Chair
Jen O'Bryan – Social Chair
Judd Gabarino – Social Chair

The UT College of Pharmacy faculty are known nationwide for their contributions to pharmacy practice and pharmacy research. The area the rest of the country does not see, and the part that keeps UT College of Pharmacy ranked in the top 10 pharmacy schools in the nation consistently, are the relationships they strive to make with their students. Because of their bringing the teaching outside the classroom, whenever students graduate from UT, they have already made colleagues and friends.

The Student National Pharmaceutical Association (SNPhA) was founded in 1972 as the affiliate of the National Pharmaceutical Association (NPhA). The first meeting was held on the campus of Florida A & M University, Tallahassee, FL. SNPhA is an education and service association of pharmacy students and high school affiliate members, concerned about pharmacy, and health care issues; and the need for greater minority representation in pharmacy and other health professions. The purpose of SNPhA is to plan, organize, coordinate and execute programs geared toward the improvement of the health, social, and educational environment of the community; while providing opportunities for professional development.

"Kappa Psi Pharmaceutical Fraternity lives up to the standards set long ago of Brotherhood, Industry, High Ideals, and Sobriety. We base these four virtues and take them out into the community. This year, we saw a lack of immunizations in the community. Kappa Psi brothers helped with giving 4,000 immunizations. Our annual Trick-or-Treat for can goods was more successful than ever with donating over 400 pounds of food to the local food bank. We understand that UFT will be able to teach us pharmacy, but Kappa Psi helps make us the well-rounded pharmacist." Kaleb Brown - Regent

Phi Delta Chi is a national coed professional pharmacy fraternity. It is the first pharmacy fraternity and was founded in 1883 at the University of Michigan in Ann Arbor. The Chapter at the University of Tennessee is the Omega Chapter, and it was the first pharmacy fraternity on this campus. The objective of Phi Delta Chi is to advance the science of pharmacy and to foster and promote a fraternal spirit among its members. This organization advocates brotherhood among its members and provides the pharmacy student with leadership skills and professional and social experiences to enhance their character. Some civic activities include monthly blood pressure screenings, holiday parties for the Loving Arms Children, sponsorship of Forrest Park, Habitat for Humanity, and the national fund raising campaign for St. Jude Children's Research Hospital. The service activities are done along with the many faculty alumni here at UT. The benefits received from Phi Delta Chi include: Professionalism, scholastic encouragement, social awareness, brotherhood and fraternalism.

Roger Clemens helps the New York Yankees beat the Atlanta Braves in four games to win the 1999 World Series.

The Dallas Stars capture the Stanley Cup with Brett Hull's game-winning goal in triple overtime.

In sports, it was a year for firsts. Forty million viewers tuned in to watch the U.S. Women's Soccer Team triumph over China and Tiger Woods win six straight PGA tournaments. The Dallas Stars became the first team since the 1994 New York Rangers to win both the President's Trophy and the Stanley Cup in the same season. In addition, Lance Armstrong overcame a bout with cancer to win his first Tour de France.

Mia Hamm and Brandi Chastain lead the team in a 5-4 narrow, penalty-kick victory over China to win the Women's World Cup.

Chicago Cubs' right fielder Sammy Sosa hammered out a big 63 homeruns in 1999.

Quarterback Kurt Warner leads the Rams to a 23-16 victory over the Tennessee Titans in Super Bowl XXXIV.

Tiger Woods' PGA Tour winning streak comes to an end when he is beaten at the Buick Invitational.

Although Andre Agassi loses to Pete Sampras in the 1999 Wimbledon Championship, he finishes the year ranked #1.

TENNIS

The Winston Cup Series Champion, Dale Earnhardt, wins three times in 1999.

NASCAR

David Robinson and Tim Duncan triumph against the NY Knicks in the NBA Finals.

SAN ANTONIO SPURS

Even die-hard skiers jump on boards like Ross Powers to try the sport that's taking the slopes by storm.

USA SNOWBOARDING

DISCOVERY • MILLENNIUM • GOODBYE • WEATHER • DISCO

The year 2000 was greeted with celebrations across the globe, including a fantastic fireworks display at the Eiffel Tower and religious ceremonies in Jerusalem. Looking back on 1999, we see a year filled with hope for the future, but also a year plagued by war and natural disaster. The conflict in Serbia kept the world on the edge of its seat, while earthquakes, tornadoes and winter storms focused our attention on international relief efforts. In 1999-2000, we also said goodbye to some of the world's most beloved celebrities including John F. Kennedy Jr., Walter Payton and Charles Schulz.

WEATHER

The century came to a close with an upsurge of natural disasters. Hurricane Floyd caused \$4.2 billion worth of damage on the East Coast while snowstorms crippled regions of the Northeast and Midwest. Internationally, earthquakes killed thousands in Turkey, Columbia and Taiwan.

DISCOVERY

The Hubble Telescope, Earth's orbiting eye to the heavens beamed back pictures of new planets and nebulas, while kinks in the NASA Mars Polar Lander mission delayed hopes of discovering more about the mysterious red planet.

MILLENNIUM

While some stockpiled Y2K supplies and safeguarded their computers against the "millennium bug," others rang in the new century with fireworks, parties and religious celebrations. While merchandise branding the date 01.01.00 filled stores, millennium countdown clocks were seen everywhere from billboards to post offices.

GOODBYE

As we said goodbye to the century, we also said goodbye to some of the world's most beloved celebrities. John F. Kennedy Jr. was killed in a private plane crash while Charles Schulz passed away on the night before his last "Peanuts" comic strip was to be published in Sunday papers around the world. Sports legends Walter Payton, Joe DiMaggio and Tom Landry also left us this year.

SPORTS

MUSIC

Alternative band SMASHMOUTH releases their much anticipated sophomore album "Astro Lounge."

BACKSTREET BOYS

The Backstreet Boys release their smash album "Millennium" and take home the 1999 American Music Award for Favorite Pop/Rock Band/Duo/Group.

JENNIFER LOPEZ

Latina actress and singer Jennifer Lopez debuts her pop album "On the 6" scoring a dance hit with "If You Had My Love."

FAITH HILL/TIM MCGRAW

The country couple both receive nominations at the 1999 American Music Awards. Faith Hill's album "Breathe" debuts at #1 on the Billboard Top 200.

RICKY MARTIN

"Livin' La Vida Loca" and "She's All I Ever Had" take Ricky's first English album multi-platinum.

BRITNEY SPEARS

"Boy Bands" and Latin superstars lead the 1999-2000 music scene. 'N SYNC and Backstreet Boys keep fans screaming for their good looks and slick dance moves. Ex-Menudo vocalist Ricky Martin wows audiences with his first English album, and actress/singer Jennifer Lopez scores big with her own first album, "On the 6." The biggest success story of the year, however, is former Mouseketeer Britney Spears' meteoric rise to fame via her debut LP "...Baby One More Time."

These cool cowgirls continue to enjoy the success of their breakthrough album "Wide Open Spaces."

TLC returns to the hip-hop scene with "Fan Mail," featuring the singles "Come On Down" and "No Scrubs."

Brendan Fraser stars as a soldier in the Foreign Legion who helps unearth a wicked curse in turn-of-the-century Egypt.

RUNAWAY BRIDE

Richard Gere and Julia Roberts reunite in this heartwarming love story about a skittish bride-to-be.

THE MATRIX

Incredible special effects and kung-fu fighting make this sci-fi thriller an instant classic. Keanu Reeves trained for months to pull off moves like this.

George Lucas makes history again with the 1999 release of "Star Wars: Episode 1 - The Phantom Menace." Star Wars fans waited in line days before the premiere in hopes of being one of the first to see the prequel.

"10 Things I Hate About You," a remake of *The Taming of the Shrew*, introduces newcomer Julia Stiles as a high school student who presents a challenge to her suitor Heath Ledger.

Keanu Reeves stars as a 21st century hacker in "The Matrix." This ground-breaking science fiction film excites audiences with computer-generated effects and superbly choreographed fight scenes.

star wars

Natalie Portman, Liam Neeson, and Ewan McGregor star in the highly anticipated prequel to the original Star Wars trilogy.

TIME OF YOUR LIFE

In a "Party of Five" spin-off, Jennifer Love Hewitt's character, Sara, moves from San Francisco to New York, striking out on her own in search of love, success and her estranged father.

E. R.

Julianna Margulies, winner of four consecutive Emmy nominations for her role as head nurse, Carol Hathaway, enjoys the fifth season, with the rest of the "E.R." cast.

WHO WANTS TO BE A MILLIONAIRE

Contestants, chosen by a call-in selection process, compete to win increasing amounts of money up to \$1,000,000. Regis Philbin coins the phrase of the year with "Is that your final answer?"

FRIENDS

As the leadoff series on NBC's "Must See TV" lineup, "Friends" continues to enjoy ratings success after six seasons, reaching an audience of 23.5 million people each week.

STARK RAVING MAD

Neil Patrick Harris (Doogie Howser, M.D.) stars as Henry McNeely, a young book editor who is thrust into the chaotic, and often hilarious, world of a bestselling horror writer.

7TH HEAVEN

Featuring cast members Jessica Biel and Barry Watson, the WB Network's wholesome "7th Heaven" continues to follow the trials and tribulations of the Camden family.

R O S W E L L

Starring Jason Behr and Shiri Appleby, this sci-fi drama centers around a group of aliens, posing as teenagers, who struggle to conceal their identities while discovering what it means to be human.

The networks presented us with a dazzling variety of shows, many of them teen-oriented. The WB Network led the way with "Buffy the Vampire Slayer," "Dawson's Creek" and newcomers, "Roswell" and "Popular." Jennifer Love Hewitt ventured out on her own, tackling the concrete jungle of New York City in "Time Of Your Life." Animated sitcom "The Simpsons" remained popular while cartoonist Matt Groening's newest series, "Futurama," gained a wider audience. Finally, talk show personality Regis Philbin crossed over to game shows asking the country, "Who Wants To Be A Millionaire?"
