

# Find your Supply Center

## UTHSC Supply Center

Did you know that your on-site Supply Center has your most-needed products within easy reach? Having immediate access to the products you need could be the key to maintaining the momentum of your research. General Stores are the on-campus source of laboratory supplies for teaching and research.

**Products available include:** cell culture media, reagents, supplements, FBS, DNA/RNA purification kits, distilled water, and more!

### Located on-campus at:

General Stores - UTHSC General Education Bldg., Room B41 - 8 S. Dunlap St.

**Hours:** Monday - Friday, 7:30 a.m. - 4:30 p.m.

### To order items from the Supply Center, you can access through one of the following:

- Submit your request to us via the General Stores [online catalog](#)
- Email us at [gstores@uthsc.edu](mailto:gstores@uthsc.edu)
- Visit us in General Education Building (GEB), Room B-41
