The testing locations & time above are for the Memphis campus only. All testing dates are the same across the state. Exams will be scheduled in two sessions, based on the clerkship. You should always arrive **NO LATER** than **15 minutes** prior to your clerkships testing time as we could begin the exam on time or earlier. **Failure to report to the exam location on time will result in not being allowed to take the exam at that time and will have to be rescheduled.**

All SASSI approved students **MUST** arrive **NO LATER** than 8:15 AM to begin their exam at 8:30 AM or earlier.

You must notify your [Clerkship Director, Coordinator, & Ms. McQueen](#) on orientation day to schedule a make-up exam. The request must be approved by your Clerkship Director and Ms. McQueen. Submitting a request means your request is pending and does not mean that your request has been approved. You will receive an email from your Clerkship Director AND Ms. McQueen with the decision and make-up date if approved. Do not assume it has been approved. If you have a last minute emergency you must contact Ms. McQueen as soon as possible via Phone Call or E-mail and she will let your Coordinator know what is going on. You may be required to have a doctor's note.
(Illnesses on test day & emergencies for immediate family members only)
