**What is the purpose of ISOC?**

Our purpose is to educate the UTHSC campus community on how to respond to and help prevent domestic violence, dating violence, sexual assault, and stalking on campus.

**How do we fulfill that purpose?**

We build strong partnerships and forge lasting collaborations with both campus and community organizations to respond to and prevent campus domestic violence, dating violence, sexual assault, and stalking. This collaboration has enhanced UTHSC campus violence policies and procedures, and implemented domestic violence, dating violence, sexual assault, and stalking education programs.
