

## Class of 2023 – Rising 3<sup>rd</sup> Year Scheduling

### Scheduling Timeline:

**Friday, January 29** – M3 Orientation Part 1 (afternoon)

**Friday, February 5** – M3 Orientation Part 2 (afternoon)

**Friday, February 5** – Hardship/East Only requests due.

**Monday, February 8 – Sunday, February 14** – East Only scheduling

**Monday, February 8 – Sunday, February 14** – Students enter core clerkship preferences in eMedley (excludes East Only students).

**Monday, February 15 – Friday, February 19** – eMedley's software will run a process to populate core clerkship schedules taking students preferences into account. \*

\*Although preferences are considered when schedules are populated by eMedley, core clerkship block(s) and location(s) are not guaranteed, and at least 1 east rotation will be scheduled for each student. Students with approved hardships on file are excluded from the east rule.

**Monday, February 22 – Friday, February 26** – Administrative verification and revision of schedules.

**Tuesday, March 2** – Tentative post-date for M3 schedules. A notification will be sent via listserv when released.

**Tuesday, March 2 – Friday, March 5** – After reviewing core clerkship schedules, students can arrange schedule swaps with other students. Both students must agree, email OME with swaps, and administrator will make the swap in eMedley.

**Tuesday, March 2** – CE lottery results will be posted to OLSEN (students notified via listserv).

**Monday, March 8 & Tuesday, March 9** – CE scheduling Round 1 (scheduling occurs based on lottery - 1 CE can be added during round 1). \*

**Thursday, March 11 & Friday, March 12** – CE scheduling Round 2 (scheduling occurs based on lottery - 1 or 2 additional CE's can be added during round 2). \*

\*Time of day is dependent on lottery results, but assigned lottery times will fall within 8:00am-5:00pm (CST)

**Monday, March 22** – Scheduler will reopen to make add/drops for CEs which must be done 30 days before the start of the rotation.

**Thursday, April 1 (midnight)** – Hard date for all schedules to be published.

### CE Selection Information:

Rotation options and up-to-date availability can be found in eMedley within EduSched, Schedule Planner application. Details such as course descriptions, prerequisites, course director, coordinator etc. for each rotation, can be found in the [UTHSC Bulletin](#).

## Scheduling FAQ's:

**Q1.** Which version of the bulletin should I use?

**A1.** Use the 2020-2021 version for rotation information. When the 2021-2022 Bulletin is published in July 2021, students will be notified via the listserv.

**Q2.** How do I schedule my 3rd year in eMedley?

**A2.** Use the document [How to Schedule Your 3rd Year](#) (also posted on OLSEN).

**Q3.** Where do I find a full listing of 3rd year requirements?

**A3.** Go to the [UTHSC Bulletin](#) >Select 2020-2021 (until 2021-2022 is available to select)>College of Medicine> Under "Programs" select Medicine, MD>scroll down to see all degree requires for the 3<sup>rd</sup> year.

**Q4.** How do I find a listing of Career Exploration elective (CE) offerings and/or a list of CE's in a specific location and/or specialty?

**A4.** Go to the [UTHSC Bulletin](#) >Select 2020-2021 (until 2021-2022 is available to select)>Course Descriptions.

Once on the course description page, use the available filters and the "Key Word or Phrase" option to narrow your search, and then click "Filter." **Please also see [pg. 5](#) for a listing of all specialty departments and the campus or campus' where available.** Please see examples below:

Search by specialty department and Campus:

**Q5.** Who to contact about housing for my rotations outside of Memphis?

**A5.** Think link titled “Clerkship Director’s within OLSEN allows you to select a campus and view housing contact information. <https://www.uthsc.edu/medicine/medical-education/clerkships/directors.php>

**Q6.** Why does UT have a 30 day add/drop deadline for clinical rotations?

**A6.** UT offers quite a bit of scheduling flexibility; however, our departments need time to prepare for the arrival of students in advance, and many times instructors even adjust their own schedules to accommodate students. Exceptions are made only for personal emergencies or for academic reasons.

**Q7.** Why do I have to publish our schedule?

**A7.** Publication ensures that you have all your core clerkships scheduled, and that any CE’s that require prior authorization are approved. Publication also allows for evaluations to be assigned to you.
