11. At your designated Round 2 scheduling day and time, repeat step 8 to add even period rotations to complete your schedule for the academic year. Odd blocks can be edited as needed in Round 2.

12. Once all desired rotations are added to your schedule, students can attempt to publish in order to finalize scheduling by clicking on “Actions” and then “Publish Student Schedules.” Note Publication rules on page 7.

PUBLICATION RULES

Note: Unpublished schedules are *not* considered final and can be subject to change if not finalized prior to the start of the upcoming term. Students can make changes to their schedules up to 30 days prior to the start of a rotation provided that all publication rules are met.

An error will occur if any of the 7 publication rules listed below are not met:

1. Any 2 Junior Internships are scheduled.
2. 16 weeks of electives are scheduled.
3. 8 weeks of option blocks scheduled in blocks 11, 12, or 1.
4. Capstone is scheduled.
5. Geriatrics/Palliative Medicine is scheduled.
6. All prerequisites have been met.
7. All courses requiring prior authorization must be approved by the course coordinator or Instructor of Record and Schedule Administrator.*

*An email must be sent to the Schedule Administrator from the rotation coordinator or instructor confirming approval before enrollment in a rotation requiring prior approval is considered final.

Publication rule overrides can be requested by contacting the Schedule Administrator based on the following criteria:

1. A student is on track to enter a career field or enlisted in a military branch with early match and is requesting an exemption to the option block rules.
2. A student is expected to graduate in the fall of the upcoming academic year.
3. A situation arises that requires an extended leave of absence.
