Committee Member/Contributor

- 2019 2019 Trustee Nominating Committee
- 2017-22 NAMS *Practice Pearl* Task Force/Reviewer
- 2017 Awards committee member-annual conference
- 2014 MenoPro app: Participated on expert panel for beta testing/launch of app and development of evidenced based manuscript (Only APRN/NP to serve on panel).
- 2012-15 Awards committee member-annual conference
- 2012 Contributor/reviewer: *Menopause Guidebook* (consumer education)
- 2011-13 NAMS/APGO (Association of Professors of Gynecology and Obstetrics) Editorial Board/Taskforce: Developed curriculum and teaching modules on menopause for medical residents and other clinicians (Only APRN/NP to serve on MD board)
- 2008-21 Annual scientific conference planning committee member
- 2007-12;21-23 Consumer education committee member
- 2006 Poster judging committee member: annual conference
- 2006 Web-Site: Professional and consumer links review committee member
- 2005-07 Professional education committee member
- 2005 Annual scientific conference planning committee member
- 2005 Contributor/reviewer: *Menopause Guidebook* (consumer education)
- 2003 & 16 Abstract review committee member: scientific conference
- 2001 Web-Site: Professional and consumer links review committee member
- 2000-02 Consumer education committee member

Contributions to NAMS Position Statements:

- 2016-17 Hormone Therapy Position Paper (Participated on expert advisory panel to develop position paper)
- 2013 Management of Symptomatic Vulvovaginal Atrophy (Participated on expert advisory panel to develop position paper; Participated on review board)
- 2012 Estrogen and Progestogen Use in Postmenopausal Women (Participated on review board)
- 2010 Estrogen and Progestogen Use in Postmenopausal Women (Participated on review board)
- 2010 Management of Osteoporosis in Postmenopausal Women (Participated on review board)
- 2010 Sexual Health: Consumer Module (Participated on review board)

Contributions to NAMS Menopause Clinical Textbook:

- NAMS (2014). *Menopause Practice: A clinician's guide (5th Ed.)*. NAMS: OH. (Contributor; Review Board)
- NAMS (2010). *Menopause Practice: A clinician's guide (4th Ed.)*. NAMS: OH. (Contributor; Review Board)
- NAMS (2004). *Menopause Practice: A clinician's guide (2th Ed.)*. NAMS: OH. (Contributor)

SIGMA THETA TAU INTERNATIONAL HONOR SOCIETY

- 2012-Pres Member: Beta Theta Chapter
- 2000-2005 Vice President: Nu Lambda Chapter
- 1996-1998 Vice President: Nu Lambda Chapter

OTHER

- 2009-10 Board of Directors: Tennessee Research Project/Cancer Awareness
- 2003-07 Appointed: Disease Management Committee, Tennessee Managed Care Corp
- 1998-03 Appointed: Pharmacy and Therapeutics Committee, Tennessee Managed Care Corp

RESEARCH ACTIVITIES

- 6/2021 Role: Co-PI on CON grant submitted in response to Pfizer RFP: “**DIME: Diversity In Menopause Experiences Funding**. Funding Submitted 6/3 (Not funded)
- 9/2020 Role: Co-PI on CON grant submitted in response to Pfizer RFP: “**PART: Postmenopausal Advice for Rural patients via Telehealth**”. Funding Submitted 9/3. (Not funded)
- 12/2019 Role: Consideration for Site PI-Phase III Trial Fezolinetant, non-hormonal Rx for treatment of menopausal vasomotor symptoms. Astellas Pharmaceuticals. (Not Accepted)
- 10/2020-2023 Role: Co-PI on COM/Department of Rheumatology grant submitted in response to Pfizer RFP: “Increasing the Rheumatology Workforce” in collaboration with CON/FNP option and PA department. Funded: \$250,000.
- 10/2019-12/2018-20 Role: Primary Investigator: College of Nursing Sensitive Exam Day. IRB approved 11/19. Invited to be a Subject Matter Expert (SME) in "A Delphi Study to Determine Military Women's Health Research Priorities" (COMIRB #17-2382). Study purpose: Determine priorities for military women's health research.
- 10/2018-10/19 Site PI-Phase III Clinical Trial: Effect of intravaginal Prasterone (DHEA) on the moderate to severe symptoms of vulvovaginal atrophy in postmenopausal women currently being treated or previously treated for breast cancer -(Placebo-Controlled, Double-Blind and Randomized Phase III Study) Letter of acceptance 8/2018. (2019 update: Deferred implementation until further FDA studies; Cancelled due to changes in company).
- 2016-17 Role: Consultant: Archer, David F.; Berman, Nancy; Kaunitz, Andrew; **Pace, Diane**; Parish, Sharon. Clinician expert in development of study questions and scholarly dissemination of data. ***SPIRIT Study: A Survey of Women’s ExPerIence with EstRogen Treatment, Sexual Health, and ProvIder CommunicaTion on VVA***. The survey was conducted from a 56,000-member probability-selected internet panel generalizable to the overall US population. The sample was augmented by users of prescription treatments from online opt-in consumer panels. A total of 3,031 postmenopausal women completed the survey, including women who self-reported as having been diagnosed with VVA and women who are undiagnosed but have experienced symptoms of VVA. Funded by Allergan Pharmaceuticals.
- 2012-13 Role: Consultant. “*Integration of Technology into Interprofessional Education (IPE)*.” Division of Nursing, Bureau of Health Professions, Health Resources and Services Administration, Department of Health and Human Services. Advanced Education Nursing Grant for \$1,110,513. (PI: Dr. Susan Patton). Project Period: September 1, 2012 – June 30, 2015. The University of Tennessee Health Science Center, Memphis, TN. (Grant No. D09HP25035).
- 2007 Role: Primary Investigator. “*Use of and Satisfaction with e-Prescribing in a Community Based Practice*.” \$35,000. Funded from AHQR grant funding to Vanderbilt Center for Better Health.
- 2007 Role: Obtained grant funding from the Durham Foundation (\$70,000) to purchase Bone DEXA machine and establish/direct an osteoporosis testing program for primary care/inner-city safety net community clinics.
- 2003 Role: Site Coordinator/Co-Investigator (no funding). “*Cardiovascular Health for Women, Primary Prevention: An Education Initiative for Nurses and Women*.” Association of Women’s Health, Obstetric and Neonatal Nurses (AWHONN).
- 2000 Investigator initiated grant funding (\$231,000) and Primary Investigator. Wyeth Ayerst Women’s Health Grant for randomized control blinded study. “*PACE Study: Postmenopausal African-Americans and Cardiovascular effects of Estrogen/Progestin*.”
- 2002

Interprofessional Collaborative Research Activities:

Funding & Presentations (Peer-Reviewed)

- 2019-22 Pattanaik, D., **Pace, D.**, Raza, S., Reed, L., & Maday, K. Increasing the rheumatology workforce. Pfizer Pharmaceuticals. \$250,000. Funded, 12/19 with College of Medicine/Division of Rheumatology. Role: Co-Primary Investigator.
- 10/2019-10/20 Morris, J., Clark, C., Reed, L., Cao, X., **Pace, D.**, Khanna, P. Role: Co-Primary Investigator: A survey of healthcare provider knowledge, attitudes, and preferences in management of Genitourinary Syndrome of Menopause (GSM) in the Mid-South. Online survey. Poster presentation at NAMS annual scientific conference 9/2020. Manuscript accepted *Journal of Menopause*, November, 2021.
- 2017, Oct. **Pace, D.**, Berman, N., Archer, D., Galitsky, A., Kappus, D., Kaunitz, A., & Parish, S. A *Survey of women's exPerience wIth estRogen treatment, sexual health, and provIder communicaTion on VVA: the SPIRIT study*. Poster presented at the National Association of Nurse Practitioners in Women's Health (NPWH) annual meeting, Seattle, WA.
- 2017, Oct. Archer, D., Berman, N., Galitsky, A., Kappus, D., Kaunitz, A., **Pace, D.**, Parish, S. *Concerns with long-term estrogen exposure, inconsistent treatment use, and reduced quality of life in postmenopausal women with symptoms of vulvar and vaginal atrophy*. Poster presented at the North American Menopause Society annual scientific meeting, Philadelphia, PA. Abstract published in meeting program and published in *Menopause: Journal of the North American Menopause Society*.

Activities conducted within my post-doc funded research project and presented by co-investigators:

- 2003, May Qureshi, M., **Pace, D. T.**, Ke, R., Hughes, T. *Lipoprotein Compositional Changes with HRT (Conjugated Estrogen and Medroxyprogesterone) in African-American Women*. Presented at the American Association of Clinical Endocrinologists annual meeting, San Diego, CA. Endocrine Practice 9: (suppl. 1), March/April, 2003, Abstract #11. Qureshi awarded First Place, Young Investigator Award, American Academy of Clinical Endocrinologists.
- 2000, May Ke, R, **Pace, D. T.**, & Ahokas, B. *Short-term hormone replacement therapy reduces oxidative stress in postmenopausal women*. Presented at First International Conference on Women, Heart Disease and Stroke, Vancouver, Canada.

CONSULTATION ACTIVITIES

2022-present Peppy Health

- Consult with this company (out of UK) who is launching their business in the US. (12/2022). Peppy is a digital health app that provides support for employees in underserved areas of healthcare. My consulting role focuses specifically in their arena of menopause support. Peppy is now available to over 1 million individuals in the UK, via 50 leading employers including SAP, Accenture, BNP Paribas, Estee Lauder Companies and Capgemini. In 2021, Vitality UK partnered with Peppy to become the first private medical insurer to include free specialist menopause support as part of its standard medical insurance policy. Peppy includes unlimited access to expert

	practitioners over instant messaging (similar to Whatsapp), live webinars and one-to-one virtual consultations, ensuring they have access to the information, answers and personalised support they need, tailored to their individual circumstances.
