

## **Chair, Department of Pharmaceutical Sciences**

The College of Pharmacy at the University of Tennessee Health Science Center in Memphis, Tennessee invites applications for a full-time, tenure-track faculty position at the level of Full Professor to serve as Chair of the Department of Pharmaceutical Sciences. The Department of Pharmaceutical Sciences is one of two departments within the College of Pharmacy. Our faculty members are engaged in competitive research and the education and training of professional and graduate students, fellows, and post-doctoral fellows.

The successful candidate will have a PhD in pharmaceutical sciences, medicinal chemistry or related biomedical sciences, excellent interpersonal skills and evidence of strong leadership and management skills. The candidate will have academic credentials sufficient to meet the rank of Professor, an outstanding established and ongoing research record, which includes a track record of extramural funding and proven abilities to foster pharmaceutical and biomedical research.

The Chair of the Department of Pharmaceutical Sciences is responsible for the Department's strategic planning, budget, fiscal management, policies and procedures, communications, recruitment, and faculty and staff annual performance and development. Additionally, the Chair is responsible for ensuring faculty contributions to teaching, University/College/Department service, and research.

The University of Tennessee Health Science Center is located in Memphis, TN, an economically vibrant center, with a metropolitan population of more than 1.3 million, reflecting the richness along the bluffs of the mighty Mississippi River. The College of Pharmacy is ranked among the top 20 colleges of pharmacy in the country by *US News and World Report*. The College of Pharmacy's Memphis Campus is located in a new 184,000 square-foot building on the Health Science Center complex with additional campuses in Nashville and Knoxville. For further information regarding the College of Pharmacy, go to <http://www.uthsc.edu/pharmacy>.

This position is available immediately, but the start date is negotiable. Salary is competitive and commensurate with experience. The combination of the Van Vleet Endowed Professorship and Chair position is also negotiable. Review of applications will start immediately and will continue until the position is filled. Interested applicants should submit by email a cover letter, curriculum vitae, research statement, and a list of three references to:
