

**THE UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER  
REQUEST FOR PROPOSALS 10053945**

**RFP DOCUMENT**

**TO CONDUCT EXECUTIVE SEARCH FOR THE POSITION OF  
Director of Research, Transplant Institute, MEMPHIS CAMPUS**

**Introduction to Request for Proposals**

The University of Tennessee Health Science Center (UTHSC) in Memphis is recruiting for the position of Director of Research, Transplant Institute. Attachment 1.1 is a position summary for the position. UTHSC represents one campus of the statewide University of Tennessee system. UTHSC is an integral part of a major medical center in the Mid-South region and it has recently developed a strategic alliance which includes Methodist Healthcare, Veterans Affairs Medical Center, St. Jude Children's Research Hospital, The Regional Medical Center, and LeBonheur Children's Medical Center.

The University of Tennessee (University) is seeking proposals from qualified firms or individuals with a national presence in recruitment for academic health science centers to conduct nationwide, executive searches to aid the University in identifying candidates for this position. The Chancellor of UTHSC will appoint a University Search Committee (Search Committee) for the position to interact with the selected search firm on all matters related to the executive search until a list of final candidates is available for presentation to the Chancellor.

**Required Services and Abilities**

The University requires strategic search, educational, and promotional services to assist with the recruiting of candidates for this position. Specifically, the University requires assistance from a Search Firm to distribute information to potential candidates, assist in recruiting potential candidates, provide logistical services for candidate interviews, and advise the Search Committees as needed.

## **Required Proposal Content**

Include the following information as separate parts of your Proposal:

1. Part A: Provide detailed information about the Search Firm's organization, personnel, and experience directly related to identifying senior leadership positions in an academic health science center, substantiating the firm's qualifications and capabilities to perform the services offered. Information must include:
  - A.1. A list of all organizations for which you have recruited the successful candidates for similar executive-level positions of a university and/or healthcare organization **in the past five years**. Include the position filled, name of the successful candidate, date of the search, and the name and contact information for the Search Firm's principal contact at each institution.
  - A.2. Description of strategies used in identifying and obtaining qualified candidates, including minorities and women.
  - A.3. Description of the Search Firm's success in recruiting qualified minorities and women for upper-level academic administrative positions.
  - A.4. Description of the work plan/approach the Search Firm would take to assist the Search Committee in carrying out its responsibilities. Include an estimate of the time required.
  - A.5. Description of reference and other background checks the Search Firm would perform.
2. Part B: Identify the resources at the Search Firm's disposal to provide these services. Include names and resumes demonstrating the qualifications of personnel to be assigned to this search, their positions in the firm, and years and types of experience.
3. Part C: Statement of whether the proposing firm, any principals or owners of the firm, or any of the firm's employees that would be assigned to work on the proposed project have been convicted of or plead nolo contendere to crimes.

4. Part D: Cost for the services. The proposed costs must be submitted in the format shown in the form attached to this Request for Proposals as Attachment 1.2. **In accordance with Tennessee law, the cost proposal must be submitted in a separate sealed envelope.**

### **Evaluation Criteria**

The following evaluation criteria will be used to select a Search Firm:

#### **Technical Proposal**

1. Experience of Firm or Individual

- Overall experience (up to 150 points)
- Experience and success with upper-level position searches within highly ranked higher education academic health centers, including success in recruiting minorities and women as candidates (up to 150 points)
- Client references (up to 50 points)

Total – up to 350 points

2. Work Plan/Approach to Addressing the University's Needs

- Identification and development of methodology the Search Firm would take to assist the University in identifying and recruiting potential candidates and otherwise assisting the Search Committee (up to 250 points)
- Qualifications of proposed team or individuals dedicated to the University's search (up to 100 points)

Total – up to 350 points

#### **Cost Proposal**

3. Cost Proposal (up to 300 points)

## **Evaluation Process**

The Proposal Evaluation Committee shall first evaluate the written proposals and conduct reference checks (Evaluation Criteria items 1 and 2). The University reserves the right to have the selection committee select up to four (4) firms with the highest scores to interview with the committee. At the University's option, such interviews may be required on-site in Memphis or may be conducted by conference call with the selection committee. Scores from the interview process shall be added to the previous scores to provide a total score for the technical proposal. The cost proposals will be opened and evaluated upon completion of scoring the technical proposals. If the University elects to conduct these interviews, only those firms selected for interviews will have further consideration in the evaluation and award process. The cost proposals of those firms not selected for interview will not be opened and considered.

NOTE: Preference will be given to firms or individuals with experience representing educational entities, particularly institutions of higher education, and with demonstrated success with upper-level positions within institutions of higher education.

Firms or individuals currently involved in similar searches will not be considered.

## **Response Requirements**

Proposals will be opened on January 13<sup>th</sup>, 2017 at 2:00pm. Central Time at the University's Purchasing Services Office in Memphis as indicated on the attached RFP document. All proposals must be received prior to this time. An original and five (5) copies of the proposal (both the technical and cost proposal sections) shall be submitted in accordance with the submission requirements stated in the RFP document.

After reviewing the responses, the University will decide if it intends to award the contract. This decision will be made solely by the University. The University reserves the right to reject any and all proposals. The University also reserves the right to negotiate with one or more vendors to reach a mutually agreeable relationship. Price is not required to be the determinative factor.

Any contract awarded on the basis of this RFP will be for a period of up to one year only.

Respondents not providing information in accordance with this request will be excluded from consideration.

Additional information can be obtained from and proposals must be submitted to:

### POSITION SUMMARY RFP 10053945 Director of Research, Transplant Institute

#### **Director of Research**

#### **Methodist/University of Tennessee Transplant Institute**

The University Of Tennessee Health Science Center (UTHSC) in Memphis seeks nominations and applications for a Director of Research for the newly endowed Methodist/University of Tennessee Transplant Institute. The position will have a concurrent senior faculty appointment that is eligible as a tenured Associate/Full Professor in an appropriate college and department based on a candidate's specific background and interest.

The Methodist/University of Tennessee Transplant Institute has been a leader in transplantation services since 1970 and is nationally recognized for excellence in research, innovation and patient care. The Institute is a large volume abdominal transplant program involved in numerous clinical investigator-initiated projects. Additional details about the facility can be found at: <http://www.methodisthealth.org/healthcare-services/transplant-institute/>

The Director will be responsible for administrative and academic leadership in supporting the growth of the research mission of the Transplant Institute. This includes establishing and implementing basic science, translational, and outcomes projects. As a faculty member, the Director will be expected to maintain his/her own extramurally funded research. Exceptional Associate Professor or Professor level applicants would be eligible for an endowed chair.

**Required Qualifications:** Successful candidates are expected to be terminally credentialed (i.e., Ph.D., M.D., M.D./PhD., or equivalent) from an accredited institution of higher education, and have a record of obtaining grants in transplantation science. **Key qualifications include:** an extramurally funded research program; administrative and leadership experience; and evidence of an in-depth understanding of transplantation science.

**Preferred Qualifications:** An exemplary candidate will possess a strong record of research, teaching and scholarship that warrants consideration for faculty status at the rank of Associate/Full Professor. To be considered at these senior levels, a candidate must have an actively funded research program in their area of expertise, a strong record of interdisciplinary collaborative research and a demonstrated ability to contribute to and lead team science efforts. An endowed chair will be considered for top candidates.

This position will report to Transplant Institute Program Director.

### UNIVERSITY'S STANDARD TERMS AND CONDITIONS

1. The University is not bound by this Contract until it is approved and signed by appropriate University authorized official(s). A list of the University's authorized officials is located here: <http://treasurer.tennessee.edu/contracts/contractsignature.html>
2. This Contract may be modified only by a written amendment which has been executed and approved by the authorized officials of both parties. A list of the University's authorized officials is located here: <http://treasurer.tennessee.edu/contracts/contractsignature.html>
3. The Contractor shall not assign this Contract or enter into a subcontract for any of the services performed under this Contract without obtaining the prior written approval of the University.
4. Unless otherwise indicated on the reverse, if this Contract provides for reimbursement for travel, meals or lodging, such reimbursement must be made in accordance with University travel policies.
5. The Contractor warrants that no part of the total Contract amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor, or consultant to Contractor in connection with any work contemplated or performed relative to this Contract, and that no employee or official of the State of Tennessee holds a controlling interest in the Contractor. If the Contractor is an individual, the Contractor certifies that he/she is not presently employed by the University or any other agency or institution of the State of Tennessee; that he/she has not retired from or terminated such employment within the past six months; and that he/she will not be so employed during the term of this Contract.
6. The Contractor shall maintain documentation for all charges against the University under this Contract. The books, records and documents of the Contractor, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment, and shall be subject to audit, at any reasonable time and upon reasonable notice, by the University or the Comptroller of the Treasury, or their duly appointed representatives. These records shall be maintained in accordance with generally accepted accounting principles.
7. No person on the grounds of disability, age, race, color, religion, sex, national origin, veteran status or any other classification protected by Federal and/or Tennessee State constitutional and/or statutory law shall be excluded from participation in, or be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract. The Contractor shall, upon request, show proof of such nondiscrimination, and shall post in conspicuous places, available to all employees and applicants, notice of nondiscrimination.
8. The Contractor shall comply with all applicable Federal and State laws and regulations in the performance of this Contract.
9. This Contract shall be governed by the laws of the State of Tennessee, which provide that the University has liability coverage solely under the terms and limits of the Tennessee Claims Commission Act.
10. The Contractor shall avoid at all times any conflict of interests between his/her duties and responsibilities as a Contractor and his/her interests outside the scope of any current or future Contracts. The following principles define the general parameters of a conflict of interests prohibited by the University:
  - a. Contractor's outside interests shall not interfere with or compromise his/her judgment and objectivity with respect to his/her duties and responsibilities to the University.
  - b. A Contractor shall not make or influence University decisions or use University resources in a manner that results in:

Financial gain outside any current or future Contracts for either the Contractor or his/her relatives or Unfair advantage to or favored treatment for a third party outside the University.
  - c. A Contractor's outside financial interests shall not affect the design, conduct, or reporting of research. The Contractor certifies that he/she has no conflicts of interests and has disclosed in writing the following:
    - a. Any partners or employees of the Contractor who are also employees of the University.
    - b. Any relatives of the Contractor's partners or employees who work for the University.
    - c. Any outside interest that may interfere with or compromise his/her judgment and objectivity with respect to his/her responsibilities to the University.
11. If the Contractor fails to perform properly its obligations under this Contract or violates any term of this Contract, the University shall have the right to terminate this Contract immediately and withhold payments in excess of fair compensation for completed services. The Contractor shall not be relieved of liability to the University for damages sustained by breach of this Contract by the Contractor.
12. It is understood by the Contractor that the University will possess all rights to any creations, inventions, other intellectual property, and materials, including copyright or patents in the same, which arise out of, are prepared by, or are developed in the course of the Contractor's performance under this Contract. The Contractor and the University acknowledge and agree that the Contractor's work under this Contract shall belong to the University as "work-made-for-hire" (as such term is defined in U.S. Copyright Law). To the extent Contractor's work is not deemed to constitute "work-made-for-hire," Contractor hereby assigns and transfers to the University all of Contractor's right, title and interest in and to any creations, inventions, other intellectual property, and materials, including copyright or patents in the same, which arise out of, are prepared by, or are developed in the course of the Contractor's performance under this Contract.

13. For personal, professional, and consultant services, the Contractor shall submit brief, periodic progress reports to the University as requested.

14. In compliance with the requirements of Tenn. Code Ann. § 12-3-309, for any contract for goods or services purchased by the University, the Contractor hereby attests that the Contractor shall not knowingly utilize the services of an illegal immigrant in the performances of this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the United States in the performance of the Contract.

15. Any activities performed within the University of Tennessee facilities in support of this contract shall be executed in accordance with all applicable safety and environmental standards. Covered activities include but are not limited to the installation, servicing and maintenance of devices or equipment. Requisite safety standards include those promulgated by the Tennessee Occupational Safety and Health Administration (TOSHA), the Tennessee Department of Environment and Conservation (TDEC), Tennessee Division of Radiological Health, and any other regulation or related consensus standards which may apply to the device, equipment, or services covered under this contract. All hazardous substances and materials, including waste, under the control of the contractor shall be managed in accordance with applicable EPA and TDEC regulations. *Failure to abide by regulatory requirements may result in termination of the contract by the university. Any fines imposed against the University as the result of a contractor's failure to abide by regulations shall be the contractor's responsibility.*

16. This Contract is the entire agreement between the University (including University employees and other end users) and Contractor. In the event Contractor enters into terms of use, end user agreements, or other agreements or understandings, whether electronic, click-through, or shrink-wrap, and whether verbal or written, with University employees or other end users, such agreements shall be null, void, and without effect, and the terms of this Contract shall apply.

17. In compliance with the requirements of Tenn. Code Ann. § 12-3-306, the Contractor hereby attests that the Contractor has registered with the State of Tennessee's Department of Revenue for the collection of Tennessee sales and use tax. This registration requirement is a material requirement of this Contract.
