

NOTE: Contact Grants and Research Agreements and/or UTRF before completing this form if you are sending out UT materials and/or material disclosed as an invention.

**INFORMATION FOR MATERIAL TRANSFER AGREEMENTS
(Outgoing Material)**

Please attach additional pages, if necessary, for explanations.

1. Brief Description of the Material (including source or origin of the Material—human, murine, non-human primate, etc.): _____

2. Name and address and e-mail of Recipient Institution: _____

3. Name of Recipient Investigator: _____

4. Planned Use of Material by Recipient: _____

5. What source(s) of funding supported the UTHSC research from which the Material resulted? (e.g., government agency such as NIH, etc.; foundation(s) such as American Heart Association, etc.; industrial/company support.)

Name of funding source(s):

Grant No. or Date of Agreement:

6. Was the material made using any other material(s) received from another institution, company or any other third party? _____ Yes _____ No

If yes, is there an agreement(s) or correspondence of any kind related to the transfer and use of that material(s)? _____ Yes _____ No

If yes, please provide a copy of such agreement(s) and/or any correspondence between you and the provider of the other material to your campus research office.

7. Will the proposed research by the Recipient involve the production of "derivatives," "modifications," "progeny," or other substance? _____ Yes _____ No If yes, please explain.

Should UT retain any rights to such material(s)? _____ Yes _____ No

8. Is there any reason to restrict the right of the Recipient to publish the results of work done with the Material? _____ Yes _____ No

9. Were any students involved in the development of the Material? _____ Yes _____ No

10. Do you anticipate that ANY inventions will be developed or arise from the other party's research conducted with the use of the Material? (Please discuss.)

11. Is the Material the subject of or relevant to an Invention Disclosure? _____ Yes _____ No

If no, should it be? _____ Yes _____ No If yes, please provide information related to the disclosure.

12. Are you or anyone involved in the production of the Material affiliated with the VA? _____ Yes _____ No

13. Did the origin of the Material involve any hazardous materials (biohazards including infectious agents, human or non-human primate cell lines, or toxins)? _____ Yes _____ No

If yes, please list the IBC registration number _____.
