Most healthcare services provided at UHS are at no additional cost to students.

These services are covered by the student activity fees paid by all students at registration each semester.
SERVICES FOR STUDENTS:

• Same day appointments available for acute care needs.
• On-call provider available 24/7.
• Pap smears and other physicals by appointment.

With on-line scheduling, and the self check-in kiosk, your appointment will be fast and easy so that you can get back to class.
SERVICES FOR STUDENTS:

• All required immunizations and titers by appointment.
• Annual screening labwork.
• Needlestick/blood and body fluid exposure care.
• International travel immunizations/medicine.
SCHEDULING AN APPOINTMENT

Students may schedule through a secure online web-based portal called Open Communicator! You can also schedule by calling 901-448-5630.

Login directly by going to:

OpenCommunicator Login

Use your UTHSC net ID and password to login.

This allows you to:

• Schedule, reschedule, or cancel appointments 24/7
• Exchange secure messages with the UHS staff
• Complete pre-appointment required forms
• Complete surveys
• Check your financial account summary
• Review and print immunizations
STUDENT MENTAL HEALTH

Many students experience issues during their student career at UTHSC such as:

- Anxiety and Test Anxiety
- Stress
- Academic Troubles
- Financial Troubles
- Relationship Problems
- Depression
STUDENT MENTAL HEALTH

UHS has mental health providers available for:

• Emergency Issues
• Counseling
• Medication Management

AT NO ADDITIONAL EXPENSE!

For any questions about mental health services, contact Christa at 901-448-5064 or cdeiss@uthsc.edu.
ALL services (including mental health) at UHS are completely CONFIDENTIAL.
STUDENT ASSISTANCE PROGRAM (SAP)

SAP offers short term face-to-face counseling by a licensed, mental healthcare professional.

• Available 24/7
• Available on campus.
• Access from anywhere in the U.S.
• No cost to you.

Just call 1-800-327-2255 to be referred for an appointment.
UHS looks forward to serving you while you are here at UTHSC!
We are committed to enhance and support your overall health so that you can be successful and thrive while pursuing your academic goals.
