The UT Board of Trustees Policy Governing Academic Freedom, Responsibility and Tenure (Revised 19 June 2003, 16 March 2006), Section G., Item 2, notes that the written CPR Improvement Plan..."may include, but shall not be limited to, skill-development leave of absence, intensive mentoring, curtailment of outside services, change in load/responsibilities), normally of up to one calendar year, and a means to assess its efficacy"... The UTHSC Faculty Handbook concurs with this.
