WHAT HAPPENS AT THE OFFSITE REVIEW

• The SACSCOC VP, Steve Sheeley, will work with a group of volunteer peer reviewers. A chair, who is required to have training on the process, leads the review committee made up of about 8-10 reviewers.

• Reviewers may:
  • hold positions of president, chief academic officer, chief financial officer
  • come from offices of institutional effectiveness, library, student affairs, academic support
  • come from the faculty

• Committees typically review 3 institutions over 1-1/2 days.
  • Standards are rated as Compliant, Non-Compliant or Non-Applicable.
  • Those deemed Non-Compliant require follow up in a Focused Report.
  • Note: Standard 13.2 (Finance) is most always rated as non-compliant since the audit cycles are not complete at most universities.
WHAT HAPPENS AT THE ONSITE REVIEW

SACSCOC requires the onsite team to verify responses to a specific number of standards through interviews and review of documentation.
