

# 2026 Frank M. Norfleet Forum for the Advancement of Health

# Violence Prevention through a Public Safety Lens

Department of Psychiatry

**FRIDAY, APRIL 10, 2026  
7:45 AM – 3:00 PM**

The National Civil Rights Museum • 450 Mulberry Street • Memphis, TN 38103

## **The Anatomy of Violence: Implications for Prevention, Prediction, and Punishment**

### **2026 KEYNOTE SPEAKER**

**Adrian Raine, PhD**

Richard Perry University Professor  
Departments of Criminology, Psychiatry, and Psychology  
University of Pennsylvania

Dr. Raine is noted for his research on the neurobiological and biosocial causes of antisocial and violent behavior in children and adults. He was the first scientist to use neuroimaging to study the brains of murderers. In 2013, he authored the textbook, *The Anatomy of Violence*.

The textbook won that year's Athenaeum Literary Award.

*There is no cost to attend this forum.*

*Optional self-guided tour of the National Civil Rights Museum is scheduled afterwards*

**Register using QR code or online at**
