

THE UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER COLLEGE OF DENTISTRY
announces the

30th HINMAN STUDENT RESEARCH SYMPOSIUM

co-sponsored by the Hinman Dental Society with participation of the
Procter & Gamble Company & Tennessee Dental Association Foundation

FRIDAY AFTERNOON, SATURDAY, AND SUNDAY MORNING
OCTOBER 31 - NOVEMBER 2, 2025

at the historic Peabody Hotel in Memphis, TN

Preparations are underway at the College of Dentistry of the University of Tennessee Health Science Center for the 30th Hinman Student Research Symposium, to be held in the historic Peabody - The South's Grand Hotel. The Symposium will recognize research efforts of students nationwide.

This is your invitation to be a part of a Symposium featuring research posters and oral presentations from which abstracts will be printed and distributed nationally. The program will consist of scientific sessions with awards for the best presentations, a banquet with a nationally known speaker and numerous opportunities to network with fellow dental students.

This year, there is a \$50.00 (USD) registration fee per student.

We invite participation by all dental schools in the US, Canada and Puerto Rico to register for the symposium. The symposium will pay for two-night hotel accommodations for 1 (one) student from each institution (double-occupancy). Each student will share a room with another student of the same gender, from their school or another school. Additional students from each school are encouraged to attend, provided that their institution cover their travel and hotel accommodations (2-night stay) at the Symposium Headquarters Hotel, at the guaranteed conference rate.

The Symposium will provide the following for **up to 3** (three) participants per school: the welcoming banquet, breakfast for two days, and lunch on Saturday.

Please contact us at hinmansymposium@uthsc.edu for more details if you would like to pay additional fees to have a single room or if your university wishes to send 4+ students.

Abstract submission deadline: Monday, September 8, 2025, 11:59 pm CST

Faculty. A limited number of accommodations will be available for Faculty Research Mentors. Please call for availability and additional information.
