

THE UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER COLLEGE OF DENTISTRY
announces the

27th HINMAN STUDENT RESEARCH SYMPOSIUM

co-sponsored by the Hinman Dental Society with participation of the
Procter & Gamble Company & Tennessee Dental Association Foundation

FRIDAY AFTERNOON, SATURDAY, AND SUNDAY MORNING
OCTOBER 28, 29 AND 30, 2022

at the historic Peabody Hotel in Memphis, TN

Preparations are underway at the College of Dentistry of the University of Tennessee Health Science Center for the 27th Hinman Student Research Symposium, to be held in the historic Peabody - The South's Grand Hotel. The Symposium will recognize research efforts of students nationwide.

This is your invitation to be a part of a Symposium featuring research poster and oral presentations from which abstracts will be printed and distributed nationally. The program will consist of scientific sessions with awards for the best presentations, a banquet with a nationally known speaker, exhibits, and opportunities for getting acquainted with fellow dental students as well as touring our beautiful Bluff City with a tour of Elvis Presley's Graceland mansion and visits to Beale Street, the "Home of the Blues."

We will make one travel award available to each of the participating dental schools to help defray expenses for the trip to Memphis. Additional students from each school are invited to attend with travel support from their institution. Hotel accommodations for two nights, the Welcoming Banquet, breakfast for two days, lunch on Saturday, as well as the entry fee and transportation for the Graceland visit will be provided to all participants by the Symposium's co-sponsors. Students from Canadian schools are welcome as always and will receive all benefits, but the Symposium will not be able to make travel awards to non-U.S. schools.

Abstract submission deadline: Wednesday, August 31, 2022
