

BerniePortal Smartphone App

All of what BerniePortal offers, now at your fingertips.

Complete Onboarding Documents

Complete onboarding documents, sign agreements and view completed documents using BerniePortal's smartphone app.

View Benefit Elections

Benefits shouldn't have to tie you down—that's why we've created mobile-accessible benefits. Check plans and monitor your HSA balance when you need them, not after the fact.

Clock In & Out

Employees can clock in or out on the go using BerniePortal's smartphone app. Provide employees with the tools to request time edits and view attendance history through BerniePortal's mobile application.

Review & Sign Notices

Stop chasing people around looking for signatures. Stay compliant by delivering notices right to your employees' fingertips to be reviewed and signed.
