

Asklepieion... *then*

Ceremonial Hestiatoreion at the hill-top sanctuary of Apollo Maleatas.

Asklepieion is a word derived from the name of Aesculapius, the Greek god of medicine and healing. Aesculapius was honored and worshipped throughout the Greek world by persons seeking the healing powers of the physician. Temples were erected in honor of Aesculapius near healing springs or high mountains. Those who worshipped him were known as Aesculapae. Therefore, the temples in his honor were known as Aesculapions (Asklepieions).

In the ancient city of Memphis, on the Nile River, there was a temple where people went for worship and for care. In our own city of Memphis, on the Mississippi River, people come to our Asklepieion for healing and care.

Asklepieion 2006 Breaking New Ground

Breaking New Ground was a fairly easy choice for the committee as the theme for this year's book - the big event on campus was the implosion of the old Baptist Hospital on November 6, 2005. And it seemed like everywhere one looked another building was coming down or going up - the Health Science Center is Breaking New Ground all over.

Of course, there were other events. Just as school got rolling in the fall, Hurricane Katrina slammed into the Gulf Coast. Ever the Volunteers, the university staged numerous fund and supply raisers. Several staff and faculty members donated their time to support the flood victims. College of Nursing students were particu-

larly called upon.

Elsewhere, the planet remained a dangerous place. The Iraqi war continued. Our casualties topped the 2000 mark. Meanwhile worries grow about the nuclear ambitions of Iran. Here at home, it's hard to keep up with the rise in gasoline prices.

Here at the Health Science Center education goes on as it should. Despite the noise of the jackhammer and dust of the bulldozer, students still grab one more cup of coffee before the test. And lo and behold they emerge from it all as doctors, dentists, cytotechnologists, nurses, molecular scientists, social workers, pharmacists, and all the other health care professionals produced here at the University of Tennessee Health Science Center.

The 930 Madison Building was a bizarre study in black curtains before the implosion.

Chancellor Owen (far right) joins (from left) Mayors Wharton and Herenton and other dignitaries on the platform moments before the implosion of Baptist Hospital in November 2005.

The Road to Somewhere
Even before the Baptist rubble has been cleared (a little visible to the left) landscaping has begun. This new road has split the property and the new Pharmacy Building is to go up on the grassy area to the right.

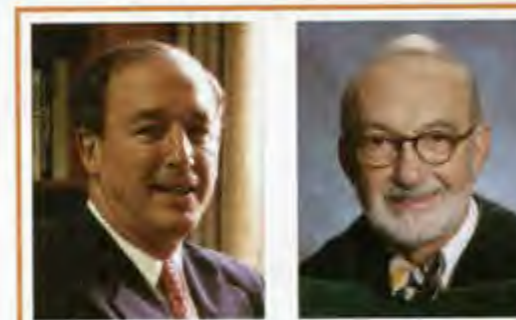

The Hamilton Eye Institute opened in the 930 Building in the Plaza complex. Pictured is the Pediatric lobby.

All That Remains
The entrance way is all that remains of UT Bowld Hospital, scene of some of the first transplants in the Mid-South area.

The campus expanded westward beyond Forrest Park with the construction of the Basic Science Research Building as part of the UT Cancer Institute.

Henry G. Herrod, M.D. (left), Dean of the College of Medicine, resigned to return to teaching. Hershel P. "Pat" Wall, M.D., Associate Dean for Admissions and Student Affairs replaced him on an interim basis.

The tradition of families and graduation goes on. Pictured is the December 2, 2005 Commencement at the Cannon Center.

Interim Vice Chancellor for
Academic, Faculty and Student Affairs
SGAEC Advisor

Spring planting at the SAC takes on a particular significance this year as the SGAEC has moved its office to the Student Alumni Center along with the Office of Student Life and Student Affairs. The long awaited student lounge is now slated for the SAC and may be open by the time you read this. The existing Pharmacy Computer Lab (pictured, bottom right) is to be updated and opened to all students. The SGAEC's constant discussions with the administration have played a large role in making these student friendly events come about.

Chancellor Owen listens as Allied Health's Marie Hatten makes a point. Keeping the lines of communication open between the student body and the administration is one of the main functions of the SGAEC.

In the new SGAEC conference room in the SAC there is room to hang the pictures of the previous student governments.

Graduate Health's Kevin Marrs sets a good example for his fellow student leaders by getting his flu shot at the Boo Flu in October.

This year's yearbook chair, Brad Hudson (above), appears to regret his decision to get a flu shot. However, Emily Banded (below), Dentistry chair, is glad to lend an arm to the Boo Flu effort.

Summer Barker, D2 pages editor, jousts with Rockey the Rockin' Redbird at Student Appreciation Day '05.

Robin Atkinson (left), M1 pages editor waits with friends to donate blood at one of the SGAEC blood drives.

Life After Asklepion

Last year's Medicine chair, Chuck Gilliland, graduated in May, to the wonderment of his child.

Tyson Chappell (left), Graduate Health chair, enjoys visiting during 5 O'clock Friday in November. Tyson has taken many of the pictures that appear in this book. Note the camera strap over his shoulder.

Student Life

Boo Flu in October serves a dual purpose of vaccinating students, faculty and staff and allows pharmacy students to keep their skills sharp.

In conjunction with LifeBlood, the SGAEC sponsored several blood drives this year. Pictured top, students wait to enter the bus outside the Plaza complex in September while below students donate in the SAC in April.

Students and other university members always show up in force for the Heartwalk in August. Here they pose at AutoZone park before the walk starts.

A rare snowfall actually closed the university two hours early on Friday, February 10, 2006.

Coffee Break

The SGAEC Entertainment Committee sponsors many student events. Among these are the early morning Coffee Breaks in the GEB and 5 O'clock Fridays in an off-campus restaurant. Here are some highlight photos from this year's events

Redbirds Night

It rained the day before the game. It rained the day after the game. It even rained the morning of the game. But the game itself played out under perfect weather as some 500 UTHSC students gathered at AutoZone park for food, fun and baseball on April 20, 2006. Oh, yeah, the Redbirds won 3-2.

What better way to spend time together than Redbirds Night.

The Ball

In the clubhouse, they call her "Lefty."

Her Dad says, "I taught her everything she knows."

MSEC President and SGAEC representative from Medicine, Frances Kirkland, had the honor of throwing out the first pitch and did the university proud.

A future UTHSC student getting started early.

Some folks even came to watch the game.

The Pavillion was loaded. . .

. . .and the tables were laden.

Decisions, decisions, decisions.

It's never too early for watermelon. . .

. . .or ice cream.

As we said, what better way to spend time together.

Ahhh, the ballpark, food and friends.

Redbirds Night is truly a family affair.

The Imhotep Society

In 1980, the Imhotep Society became an officially recognized organization on campus, for the purpose of honoring students, faculty, staff, and alumni who have significantly contributed to student life and student process at UTHSC. It was recognized that many student leaders, in performing their functions and assignments, may have sacrificed high academic accomplishments and thus did not receive recognition through those organizations which traditionally honor students for high academic achievement. While the principle objective of the Imhotep Society is to reward and recognize student leadership and service on campus, a secondary goal is to inspire students to continue leadership and service roles as alumni of the University.

Social Work-Victoria Spearman

The Imhotep Award is presented by the SGAEC to a UTHSC staff or faculty member for dedication and service to students. The award is not necessarily given every year. The 04-05 recipient, presented by SGAEC President Shannon Kelley, is Peggy I. Veaser, Ed.D.

Excellence in Teaching Awards

Each year the Student Government Association Executive Council (SGAEC) presents its Excellence in Teaching Awards at the Spring Banquet.

Instructors are nominated for by the students of the various colleges. Winners are then selected by the college student governments. Each college can select two winners except Social Work which selects one. The winners receive recognition at the banquet, a plaque and a \$2500 stipend. Instructors may not win two years in a row. The SGAEC Representative from the relevant college presents the award.

The 04-05 winners, with the SGAEC Rep. in parenthesis, are:

- College of Allied Health Sciences (Lindsey Ward)
 Kitty L. Harkleroad
 Leilani Collins
- College of Dentistry (James Kitchens)
 Kenneth A. King, D.D.S.
 Lawson L. Schroeder, D.D.S.
- College of Graduate Health Sciences (Nico West)
 M. Waleed Gaber, Ph.D.
 Bernd Meibohm, Ph.D., F.C.P.
- College of Medicine (Rodney Snow)
 A. Lloyd Finks, M.D.
 Mark A. Miller, Ph.D.
- College of Nursing (Kathryn Cooper)
 Michael A. Carter, D.N.Sc.
 R. Craig Stotts, Pharm.D.
- College of Pharmacy (John Williamson)
 Stephan L. Foster, Pharm.D.
 Theodore "Ted" H. Morton, Pharm.D.
- College of Social Work (Victoria Spearman)
 Toni K. Johnson

Pictured accepting their awards are (clockwise from upper left) Lawson L. Schroeder, Dentistry, M. Waleed Gaber, GHS, A. Lloyd Finks, Medicine, R. Craig Stotts, Nursing, and Stephan L. Foster, Pharmacy.

Campus Recreation

The Office of Campus Recreation is the focal point for recreational opportunities at the UTHSC. Physical activity plays a vital role in the development and maintenance of a "healthy, well-adjusted" individual. Our diverse programs in Outdoor Adventures, Fitness & Wellness, Instructional Programs, and Intramural Sports help us provide participants with life long activities to help individuals in their quest to enjoy life to its fullest.

When he's not directing Campus Recreation, Dan Houlden, recently appointed Director of Student Life and Student Affairs, assists students in many ways. Here he poses with Rocky the Rockin' Redbird at Student Appreciation Day '05 in which Dan served as a dunkee.

Sports * Fitness * Wellness * Adventure

Outdoor Adventures

The Outdoor Adventures Program provides opportunities for personal challenge and discovery and an awareness of the impact of outdoor adventures on the environment. Our goal is to provide an enjoyable and worthwhile experience in outdoor activities by introducing participants to the many areas in the surrounding region. These skills can be transferred to our personal lives giving you the ability to take charge of your own circumstances, overcome fears, and to be more active in group decision-making.

Campus Recreation

Intramural Sports Just Have Fun!

The mission of the Intramural Sports Program is to provide our students, faculty, staff, and their spouses, with a variety of recreational opportunities in team, dual, and individual sports. The program exists to help students relieve stress, interact with students from other classes, get exercise, and introduce students to lifetime recreational activities.

Sports * Fitness * Wellness * Adventure

Fitness & Wellness

The Fitness and Wellness Program of Campus Recreation offers many opportunities to enhance your personal health and wellness. Programs are designed to assist you in a variety of wellness-related topics including healthy eating, cardiovascular exercise, strength training, weight, stress, and time management, and personal health issues.

AAWD
American Association of Women Dentists

ASDA

The American Student Dental Association, or ASDA, is a national student-run organization which protects and advances the rights, interests, and welfare of students with a unified voice and provides information, education, advocacy, and services. The ASDA introduces lifelong involvement in organized dentistry, and promotes change for the betterment of the profession.

2005-2006 CoDSGA President
Brad Hudson

The College of Dentistry Student Government Association, or CoDSGA, serves as the collective voice of the students and functions as the local dental student government. It represents the dental college student body to the administration and faculty, dental profession, and the Memphis community. CoDSGA serves as a forum for students from each dental class to work together to promote changes for the betterment of the College.

College of Health Science Engineering

The College of Health Science Engineering is the eighth and newest college at the University of Tennessee Health Science Center. Recognizing the increased importance of medical engineering research, the university officially created the new college in May, 2003. The college was primarily formed from the School of Biomedical Engineering, a joint program with the University of Memphis, within the UT College of Graduate Health Sciences. Dr. Frank A. DiBianca, Ph.D., the Executive Director of the School of Biomedical Engineering was named first dean of the College of Health Science Engineering.

HONOR MEDICAL SOCIETY
Beta Chapter
THE UNIVERSITY OF TENNESSEE

Alpha Omega Alpha is the only national honor society in the world. Its reason for being can be expressed in a phrase: to recognize and perpetuate excellence in the medical profession. As stated in the society's constitution. "Alpha Omega Alpha is organized for educational purposes exclusively and not for profit, and its aims shall be the promotion of scholarship and research in medical schools, the encouragement of a high standard of character and conduct among medical students and graduates, and the recognition of high attainment in medical science, practice, and related fields." ΑΩΑ elects outstanding medical students, graduates, alumni, faculty, and honorary members to its ranks. The society's key is designed after the Manubrium Sterni. The letters ΑΩΑ, engraved on the key, represent not only the name of the honor society, but the essential words in its motto:

Αξις ὠφελειν τοις ὑλοῦντας

"To be worthy to serve the suffering"

Some of our number give it a shot on the slopes over Christmas.

<-Julia and Kerry dressed in Hawaiian gear for the Summer party, and Dawn and Allison--> dolled up for the Spring party--regardless of the season, the girls were looking good.

Yatsula, Daniel, Seth, Sam, and Lucas are all sporting their UT orange at a football game in Knoxville. While most of the guys were drinking beers, Seth stuck to his Diet Coke (above). It's always a superhero frenzy when Justin, Patrick, and Andy get together (below).

Nathan enjoying some introspective time down in Central America; he almost looks like a doctor while wearing scrubs.

Team Ramrod flexing his syrup-chugging skills (above) while Ben, K-Train, Yatsula, and Fowler engage in some much needed debauchery after exams (right).

Whether Kia and his ladies (above), Rick and his Ladies (right), Seth and his ladies (bottom right), or Mike and his lady (left), the gentlemen from the class of 2008 were always traveling in style.

Ben and Aditya go hiking after running into each other in Ecuador--what a small world (above, left)!! Biggs, Gus, and Genti all dressed up before heading out (above, right). Jack, putting the 'me' in polygamy, during Halloween (bottom, left). JG, Andy, and Patrick enjoying a study date with their new friend (bottom, right).

THE UNIVERSITY OF TENNESSEE
HEALTH SCIENCE CENTER

COLLEGE OF

Nursing

UTHSC students emerge from the imploded ruins of the old Baptist Hospital. The former campus landmark will become the new UT-Baptist Research Park and the home of the new College of Pharmacy building. Elsewhere on campus, UT Bowld Hospital has come down and the Basic Science Research Building of the UT Cancer Institute is going up west of Forrest Park.

The Health Science Center is "Breaking New Ground" all over.

THE UNIVERSITY OF TENNESSEE
HEALTH SCIENCE CENTER

COLLEGE OF

Pharmacy

UTHSC students emerge from the imploded ruins of the old Baptist Hospital. The former campus landmark will become the new UT-Baptist Research Park and the home of the new College of Pharmacy building. Elsewhere on campus, UT Bowld Hospital has come down and the Basic Science Research Building of the UT Cancer Institute is going up west of Forrest Park.

The Health Science Center is "Breaking New Ground" all over.

University of Tennessee College of Pharmacy...

...Producing Pharmacists & Friendships Since 1898

College of Pharmacy Organizations

The University of Tennessee College of Pharmacy promotes academic excellence and leadership among its students. There are two national honor societies that recognize those students who excel in these areas. Rho Chi sponsors an annual book sale, study skills workshop, and provides tutoring. Phi Lambda Sigma actively participates in interview days and Pharmacy Weekend.

SNPhA is an educational service association of students who are concerned about pharmacy and health care related issues, and the poor minority representation in pharmacy and other health-related professions. Members participate in community service activities, such as hypertension screenings, glucose screenings, and immunizations. The University of Tennessee SNPhA chapter also has the 2005-2006 national President, Carleton Maxwell, as one of its members.

THE UNIVERSITY OF TENNESSEE
HEALTH SCIENCE CENTER

COLLEGE OF

Social Work

UTHSC students emerge from the imploded ruins of the old Baptist Hospital. The former campus landmark will become the new UT-Baptist Research Park and the home of the new College of Pharmacy building. Elsewhere on campus, UT Bowld Hospital has come down and the Basic Science Research Building of the UT Cancer Institute is going up west of Forrest Park.

The Health Science Center is "Breaking New Ground" all over.
