

Second Look - Student Involvement Fair

Saturday, April 12, 2025

American Medical Muslim Students Association

AMMSA raises awareness of the Muslim patient populations through addressing pertinent religious and cultural issues, provides mentorship to Muslim undergraduate students who are interested in pursuing medicine, facilitates professional development and networking through community physicians who will act as mentors to students, and brings together Muslim medical students through volunteerism and community service.

Asian Pacific American Medical Student Association

APAMSA is a national organization of medical and pre-medical students committed to addressing the unique health challenges of Asian American, Native Hawaiian, & Pacific Islander (AANHPI) communities.

Asian Student Organization

ASO is an inter-professional Asian student organization at UTHSC, and we aim to promote awareness as well as provide a supporting network and a nourishing community for people of Asian Heritage.

Association of Women Surgeons

As the UTHSC chapter of the national organization Association of Women Surgeons, AWS is committed to empowering future and current women in surgery by providing opportunities for mentorship, education, and networking.

Best Buddies

The Best Buddies Citizens program pairs an adult with an intellectual and developmental disability (IDD) with an adult without IDD from their local community to develop a mutually enriching friendship and to support and grow with one another, fostering an environment of inclusion and diversity within the Memphis community for all people.

Cardiology Interest Group

CIG is an organization for medical students interested in cardiology. We host meetings highlighting adult and pediatric cardiology, day in the life of a cardiologist, research opportunities, and more.

Cardiothoracic & Vascular Surgery Student Interest Group

CTVSSIG is an organization for medical students interested in cardiothoracic and vascular surgery, and provides mentorship and research opportunities in this specific field.

Christian Medical & Dental Association

CMDA educates, encourages, and equips Christian healthcare professionals to glorify God by following Christ, serving with excellence and compassion, caring for all people, and advancing Biblical principles impacting healthcare within the Church and throughout the world.

Class of 2028 Class Council

Members of Class Council act as representatives for the student body and are responsible for organizing events, advocating for student interests, and fostering a supportive community within the class.

Clínica Esperanza

Clínica Esperanza is a primary care clinic that serves the uninsured, Hispanic/LatinX adult population of Memphis. Our primary goal is to provide access to quality healthcare.

Family Medicine Interest Group

FMIG is a student-run organization designed to promote professionalism, create interest in Family Medicine, disseminate information about Family Medicine, and promote medical student leadership in Family Medicine.

Health Students Teaching Memphis Youth

HSTMY is an inter-professional on-campus organization focused on connecting and educating local underserved youth through health topics such as better eating choices, exercise, emotions, etc., and helping to inspire future careers in healthcare.

Hematology and Oncology Student Interest Group

The HOSIG mission is to connect medical students interested in careers in Hematology and Oncology and aid in their path to residency and fellowship. We will communicate upcoming events, promote information about volunteer, research, skill development opportunities, and foster networks between physicians and students.

Internal Medicine Interest Group

IMIG serves to help students learn more about the field of Internal Medicine and subspecialties through monthly speaker meetings and journal clubs.

Medical Student Executive Council

The Medical Student Executive Council is the main, overarching student government body for the entire UTHSC College of Medicine. We work directly with each and every student, as well as the faculty, deans, and administrators to ensure that all voices are heard to enact both small and large-scale changes to make the UTHSC experience the best it can possibly be!

Memphis Street Health

Memphis Street Health is UTHSC's primary organization that operates to serve members of the community facing homelessness. Our outreach includes Room In the Inn events, monthly foot clinics, Community Garden, and more.

Obstetrics and Gynecology Interest Group

The OBGYN Interest Group is a great way to get involved and gain more experience in women's health through the activities we host which include Deliver-A-Baby Weekend, skills nights, matched M4 panel, subspecialty panels, and opportunities to learn from/network with current OBGYN residents and attendings.

One Health Student Interest Group

One Health Student Interest Group advocates for a collaborative approach to health, recognizing the interconnectedness of human, animal, and environmental well-being. We seek to collaborate with veterinary medicine and other groups to address global health challenges, such as zoonotic diseases and chronic conditions like diabetes and cancer. Through interdisciplinary learning, research projects, and community outreach, we strive to improve health outcomes for all.

Otolaryngology Student Interest Group

The Otolaryngology Student Interest Group (OSIG) welcomes all UTHSC students interested in the exploring the field of Otolaryngology. This student-run organization provides exposure to the field through various opportunities, such as mentoring, research, guest speakers, and more.

Pediatrics Interest Group

The Pediatrics Interest Group (PIG) aims to increase the visibility of and exposure to the field of pediatrics and its variety of career opportunities through monthly panel discussions, volunteer opportunities, and mentorship.

Psychiatry Student Interest Group Network

UTHSC's PsychSIGN Chapter is sponsored by the American Psychiatric Association. It is dedicated to connecting students with information about the specialty of psychiatry and to serving the UTHSC medical student community through leadership, networking, research, scholarship, and volunteer opportunities.

Student 2 Student

Student-2-Student Memphis (S2S) is a student-led program that teaches medically accurate reproductive health education to middle and high school students in Memphis and Shelby County Schools. Shelby County has some of the nation's highest rates of sexually transmitted infections among teenage patients, so our mission is to assist local schools in addressing this public health crisis and equip students with essential knowledge to keep themselves safe.

Student Committee on Research in Education (SCORE)

The Student Committee on Research in Education is a student-led campus organization that was formed to help better assist students in participating in research while in medical school. Research in during medical school can be a very rewarding and important part of an overall medical education.

Student National Medical Association

The Student National Medical Association (SNMA) is committed to supporting current and future underrepresented minority medical students, addressing the needs of underserved communities, and increasing the number of clinically excellent, culturally competent and socially conscious physicians.

Suture Tech

Get hands-on experience repairing wounds and lacerations in a busy level 1 trauma center.

UTHSC Climbing Club

UTHSC Climbing Club is a welcoming community for climbers of all skill levels. Whether you're new to climbing or a seasoned pro, it's a great way to make friends, de-stress, and stay active. Our mission is to promote connection among members while encouraging physical and mental wellness through climbing. We focus on both rope and boulder climbing, and emphasize safety, education, and fun in all aspects of the sport. Join us and follow @uthscrocks to get involved!

UTHSC MSS-AMA (American Medical Association)

The UTHSC chapter of the American Medical Association-Medical Student Section is the campus section of the AMA, the premier national physician advocacy organization. The campus section serves to foster conversation and reflection about health topics among the UTHSC community and provide a space for ideas surrounding public health, health policy, and entrepreneurship to flourish. Additionally, it serves as a platform to advocate for change within the medical system from the local to national level and to network and work with politically active medical professionals.

UTHSC Unite

Unite is UTHSC's interdisciplinary LGBTQ+ student organization, which exists to increase awareness of LGBTQ+ issues in healthcare and increase visibility of LGBTQ+ professionals.

Wellness Committee

The UTHSC College of Medicine Wellness Committee is dedicated to supporting medical students by promoting a healthy balance between academics and personal well-being. WellCOM is made up of four subcommittees: Suicide Awareness and Prevention, Events & Social, Communications, and the INSPIRE Series. Through fun on-campus events, fitness classes with Sana Yoga, and sharing mental health resources, WellCOM bridges the gap between medical school and holistic wellness.

Women in Medicine and Science

The mission of the UTHSC Women in Medicine and Science (WIMS) program is to ensure the full and successful participation of women in all roles within academic medicine and science through education, advocacy, mentoring, and networking.
