

CREDENTIAL EVALUATIONS

Types of evaluations:

- 1) Document-by-Document
 - a. To provide the U.S. equivalent for each credential/degree type
- 2) Course-by-Course
 - a. Recommended due to detailed course analysis and required for teaching

Translation into English is required

Be aware of the possibility of country specific requirements

China (recent example): Additional process required –academic records verified by the China Academic Degree and Graduate Education Development Center (CDGDC) www.cdgdc.edu.cn

The faculty member must contact the credentialing company, complete an application, upload required documents, and pay fee.

To be considered official, the credentialing evaluation must be sent directly to UTHSC
