365 Innovation Drive • Memphis, TN 38152

Register online at [www.methodistmd.org](http://www.methodistmd.org)

## COURSE DESCRIPTION

The 1st Annual Conference “Updates in Pulmonary Medicine” for the Primary Care and Hospitalist Physician is designed as an update and review in a variety of areas related to pulmonary medicine that you may encounter with patients in a primary care and inpatient setting. Evidence-based lectures will be delivered by academically and clinically oriented faculty and will provide valuable information and insight into situations that are commonly encountered by the primary care physician and hospitalist physician.

## TARGET AUDIENCE

This conference is intended to enhance knowledge and improve competency for internal medicine clinicians (both primary care and hospitalists), nurse practitioners, physician assistants and other healthcare professionals who are involved in diagnosing, treating and preventing pulmonary diseases in the general patient population.

## EDUCATIONAL OBJECTIVES

Upon completion of this conference attendees should be able to:

- Understand diagnosis and management of Asthma and Chronic Obstructive Pulmonary Disease
- Understand approach to pulmonary nodules, lung cancer and lung cancer screening program
- Assess and understand diagnosis and management of interstitial lung disease and sarcoidosis
- Diagnose and review management of pulmonary embolism
- Discuss new management guidelines in pneumonia
- Discuss approach to clinical conditions like chronic cough, difficult to treat asthma and recurrent pneumonia

## COURSE DIRECTORS

**Dipen Kadaria, MD, FACP, FCCP**, is a Pulmonary and Critical Care physician at Methodist University Hospital and Associate Professor of Medicine at the University of Tennessee Health Science Center, Division of Pulmonary, Critical Care and Sleep medicine. He is also the director of Interstitial Lung Disease and Sarcoidosis program at Methodist University Hospital as well as the program director for the Critical Care medicine fellowship program at UTHSC. Dr. Kadaria is board certified in internal medicine, pulmonary medicine and critical care medicine. His areas of interest are interstitial lung disease, sarcoidosis, sepsis and ARDS.

**Amik Sodhi, MD, FCCP**, is a Pulmonary and Critical Care physician at Methodist University Hospital and Associate Professor of Medicine at the University of Tennessee Health Science Center, Division of Pulmonary, Critical Care and Sleep medicine. She is also the program director for Pulmonary and Critical Care fellowship program and current interim chief of the Division of Pulmonary, Critical Care and Sleep medicine at UTHSC. Dr Sodhi's areas of interest are ARDS, sarcoidosis and critical care ultrasonography. She is board certified in Internal medicine, pulmonary medicine and critical care medicine.
