Drop/Add Period: Each term, the 14th day of class must be identified as the last date a student can drop a class (withdraw)   without a grade designation, including a "W," appearing on the transcript. The first day of the term is included in the 14   calendar day count.

When providing alternate class formats, such as clinical rotations, or classes that start later in term, the students have 14   calendar days, including the first day of class, to drop a class (withdraw) without a grade designation, including a "W,"   appearing on the transcript. During this 14 day drop/add period, students may add courses that have not started for the term.
