Installing TurningPoint on Macs

1. Go to account.turningtechnologies.com and sign in to your Turning Account. If you do not have an account, click Create Account.

2. Select Downloads from the left menu, when prompted, fill in the appropriate information on the form.

3. Click on the Mac - No Install option.

4. Save the file to a specific location on your computer, such as the desktop.

5. Once the download is complete, select the Setup file and follow the on-screen prompts to download TurningPoint 8 on your computer.
